

Sept. 1, 2009

Dear Future BIG HOUSE Participants,

Blessings to you as you plan for the upcoming Summer 2010! We are excited about the upcoming summer of BIG HOUSE and its impact on lives for Jesus Christ. In the past 12 years, we have grown in leaps and bounds. When we began in 1996, we had only 1 camp in Athens, Texas that consisted of 25 people. In 2009, we had 12 camps that consisted of approximately 1000 people representing 80 churches from all over Texas.

We hope that you will consider joining us for another incredible summer filled with hard work, new friends, and most importantly showing the love of Jesus Christ to those who are in need. We continue to work on churches, and social agencies, and occasional homes that need our help to do minor repairs, painting, and even a little yard work now and then. This is a great project for your Jr. High students who are interested in mission opportunities that need to gain some experience before doing a long term mission project.

Please do the following when registering your group:

1. Fill out the Group registration form completely and make a copy for your records.
2. Fill out the Church Coordinator agreement, cut off at the perforation, and mail us the bottom half, keeping the top half for your records.
3. Send a church check of \$50 per participant with these forms.
4. Post Dates to Know to your church calendar. Send out Campapalooza Camp meeting date to your adults to help encourage them to attend training, or set a date at a later time for you to hold a training evening for them.

We are looking forward to being in mission with you and your students this summer!

Blessings,

Kristen Cleveland
Executive Director

Sharma Castillo
North Texas Coordinator
